

Pre-purchase Programs

LCW's Homebuyer seminars cover every step of the pre-purchase process with a complete curriculum that includes house-hunting, working with realtors, inspections, budgeting for sustainability, and choosing appropriate financing.

Pre-purchase counseling is available for individuals by appointment. Counselors conduct housing and financial assessments, order and review credit reports and much more.

LCW Landlord Training workshops help owners learn tips on how to be a fair and just landlord, sound business practices in managing their property and tenants, tenant selection, tenancy laws and the legal eviction process, understanding the Section 8 Housing program, Fair Housing, lead abatement and working with real estate professionals.
